Do

Standing crops, viz., paddy, ragi, horse gram, castor, togari, avaré and sugar-cane (in the Krishnarajapete taluk) Bengal-gram in the Gandhinpet taluk and chillies and thadagane in the Hunsur taluk are reported to be good. The outturn of these crops is estimated at 12 annas.

Fairly supplied except in Arsikere.

Standing crops, viz., paddy, dodda-ragi, gidda-ragi, sugar-cane, horse gram, pigeon-pea, castor, wild gingelly and chillies in Hassan, paddy in Manjarabad, paddy, dodda-ragi and sugar-cane in Belur, ragi, sugar-cane, horse gram and castor in Arsikere, paddy under river channels, ragi, cow gram, pigeon-pea, horse gram and wild gingelly in Channarayapatna, paddy under river channels, pigeon-pea, castor and dodda-ragi in Hole-Narsipur, paddy and ragi in Arkalgud and standing crops in Ajur are reported to be in good condition. In Hassan and Arkalgud taluks paddy is reported to be infested by insects. Ragi is reported to be harvested in the Hassan and Arkalgud taluks. Rain is required in parts of Hassan, Manjarabad, Arsikere, Channarayapatna, Hole-Narsipur and Arkalgud taluks.

Well.

Standing crops, i. e., paddy, green and black grams, ragi, pigeon-pea, wheat, sugar-cane, navane, chillies, castor, horse gram, sessamum jola and Deccan hemp are reported to be in good condition. More rain is needed for the dry crops, viz., ragi and jola in the Honnali taluk.

Fairly supplied.

Sugar-cane in parts of Koppa, sugar-cane and horse gram in parts of Chikmagalur, wheat, coriander and sugar-cane in parts of Kadar are being sown. Coriander and sessamum in Kadar, potatoes, black and green grams, onions and garlic in parts of Chikmagalur are being harvested.

Well.

Italian millet, green gram and sessamum in the Davangere taluk, jola, green gram and sessamum in Chitaldrug, Hariyur and Holalkere taluks, castor and sessamum in the Molakalmuru taluk were harvested. Horse gram in the Molakalmuru taluk, jola in Chitaldrug and Davangere taluks, jola and cotton in the Holalkere taluk were sown. Standing crops are reported to be in fairly good condition, except in parts of Davangere taluk where the crops are slightly fading for want of rain.

Prospects are generally improving. In some parts of the Yedatore, T. Narsipur and Malavalli taluks, rain is wanted. Food stocks are reported to be available.

Prospects of season good. Food grains moderately available. Relief not required.

Rain have been ample, and the prospect throughout the district is favorable. Food stocks are sufficient.

The dry crops are reported to be withering in parts of the Kadar taluk for want of rain. No scarcity is felt in the district. No relief work is necessary.

Rain is urgently wanted throughout the district. Food stocks are reported to be sufficient.

Generally good, except in some parts of the Hunsur taluk where small-pox is reported to be prevailing.

Generally good. Small-pox is reported to prevail in parts of Manjarabad. Cough and cold in parts of Arkalgud.

Fair

Good in Chikmagalur, Kadar and Sringeri. People are reported to be suffering from ague in parts of Tarikere and Mudgere and from small-pox in Hariharpur.

Generally good.

Cattle healthy, and fodder. Pasturage improved by recent rains.

Cattle healthy, and fodder. Pasturage improved.

The condition of turage and good throughout district and available.

Cattle in fair condition throughout the district. Water available.

Water available, turage improved.
